

# Combined

## Hydromax / Aerofeel & Hydrofeel / Aerofeel

**Roll the benefits of both systems, (Hydromax or Hydrofeel combined with Aerofeel), into a single one at the same time**, drawing on both the power of water and the mildness of air to give you all the therapeutic benefits any bath could ever provide. The best of both worlds!

# Air Therapy

## Features and benefits (cont'd)

- A 36-59 perimeter quiet airjets** with check valves intelligently positioned to provide a gentle rippling, caressing massage
- B Pre-warmed air pushed through** an FDA (Food and Drug Administration) tube bringing you the most hygienic system on the market
- C Oval-shaped heated backrest** providing you a warm sensation across your shoulders and neck. 5-6 airjets in the back
- D Drying cycle starts automatically** 20 minutes after each bath session whether you use the system or not
- E Retro-lit digital control** with electronic timer and multi-speeds, water detector safety block, temperature detector and 1 memory setting for personalized massage action
- F Gentle, cradling massage** for total body experience and up to 35 % quieter than competitive systems

EASY 6-BUTTON CONTROL PANEL

### A Retro-Lit Digital Control:

A display screen that provides information such as water temperature, the remaining massage time, the water level and a control for the various therapies

A therapy memory function with one memory key that allows you to set your preferences for your next baths

Control of massage time and intensity

25-year warranty on check valves
