

Combined

Hydromax / Aerofeel & Hydrofeel / Aerofeel

Roll the benefits of both systems, (Hydromax or Hydrofeel combined with Aerofeel), into a single one at the same time, drawing on both the power of water and the mildness of air to give you all the therapeutic benefits any bath could ever provide. The best of both worlds!

Air Therapy

Features and benefits (cont'd)

- A 36-59 perimeter quiet airjets** with check valves intelligently positioned to provide a gentle rippling, caressing massage
- B Pre-warmed air pushed through** an FDA (Food and Drug Administration) tube bringing you the most hygienic system on the market
- C Oval-shaped heated backrest** providing you a warm sensation across your shoulders and neck. 5-6 airjets in the back
- D Drying cycle starts automatically** 20 minutes after each bath session whether you use the system or not
- E Retro-lit digital control** with electronic timer and multi-speeds, water detector safety block, temperature detector and 1 memory setting for personalized massage action
- F Gentle, cradling massage** for total body experience and up to 35 % quieter than competitive systems

EASY 6-BUTTON CONTROL PANEL

A Retro-Lit Digital Control:

A display screen that provides information such as water temperature, the remaining massage time, the water level and a control for the various therapies

A therapy memory function with one memory key that allows you to set your preferences for your next baths

Control of massage time and intensity

25-year warranty on check valves
