

RESIN8™ FAQ

What is Resin8™?

Resin8™ is a proprietary enhanced resin formula exclusive to American Bath Group. Its properties are significantly improved over previous resins used in the bathware industry.

How is Resin8™ different from previous resins?

Resin8™ is an enhanced resin formula. Based on independent testing, Resin8™ shows a 29% improvement in tensile strength, 63% improvement in flexural strength, and 62% improvement in elongation. This means a product that is stronger, more flexible, and more resilient to impacts.

What will be the availability of Resin8™?

All American Bath Group AcrylX™ products will be enhanced with Resin8™.

Will I experience a longer lead-time on my orders because of Resin8™?

No. Lead times and availability of products will remain the same.

What is the warranty on Resin8™ enhanced products?

Products enhanced with Resin8™ will continue with existing warranty terms, including our unprecedented Lifetime Warranty on AcrylX™ products.

How do I know if a product is enhanced with Resin8™?

All Resin8™ products are easily identified with a new dark charcoal color backing.

Will the packaging be the same as it is today?

Yes, but there may be changes to promotional aspects of the packaging.

Will Resin8™ enhanced products cost more?

No. All American Bath Group AcrylX™ products will be enhanced with Resin8™ at no additional cost.

What is the Fire Rating?

Resin8™ enhanced products have passed all code-required fire-rating tests.

Does Resin8™ meet IAPMO, NAHB, etc. requirements?

Yes, it meets all regulatory codes that our current products meet.

Is there any significance to the 8?

Resin8™ was the eighth resin formula tested over several years of research.

How is Resin8™ used in the manufacturing process?

The manufacturing process is patent pending and proprietary.

When will Resin8™ enhanced products be available?

All American Bath Group brands will be transitioned to Resin8™ by early Q1 2019.

Can Resin8™ enhanced products be repaired?

Absolutely. It is easily repaired and restored to original factory condition.

How do I order Resin8™ products?

All American Bath Group AcrylX™ products will be transitioning to Resin8™ enhanced resin. You will not need to place a Resin8™ specific order.

How can I get more information on Resin8™?

For more information, training tools and updates on Resin8™, please visit americanbathgroup.com/ABGU. Literature and web content will be updated to reflect this new enhancement as needed.
