Non-standard color options for gelcoat Showers, Tub Showers, Bathtubs and Bases

The following non-standard colors are now **discontinued** across the entire **Showers, Tub Showers, Bathtubs (FREESTANDING EXCLUDED)** and **Bases** gelcoat portfolio for **Aker, MAAX Professional** and **Retail** in all regions:

Day Dream (023)

Dusty Rose (071)

Dresden Blue (021)

Glacier Blue (024)

Ruby (073)

Sea Foam Green (034)

The only non-standard colors that should remain are: **Black (015), Sterling Silver (006), Thunder Grey (019)**

All standard colors remain with no changes: **White (002), Bone (004), Biscuit (007)**

Discontinuation of Storage Module 10025536

As of November 30th, the recessed acrylic storage module (**10025536**) sold under Accessories will be discontinued.

Backmax option (OPT 10127) for Kashmir (100041) & Crescendo (100085)

Please note this modification regarding system combinations for the **Kashmir (100041)** and **Crescendo (100085)** bathtubs.

The additional **Backmax option (OPT 10127)** is only available when the product is configured with the **Hydromax system (004 and 008)**. It's not possible to add an additional Backmax (OPT 10127) when the bathtub is equipped with a combined system.
